CINCINNATI-BASED VERMONT MATHEMATICS INITIATIVE PROGRAM

The Cincinnati Board of Education and _____ agree to the following stipulations pertaining to the Cincinnati-based Vermont Mathematics Initiative (CVMI) Program.

- I. Teachers accepted for the CVMI will successfully complete coursework as defined by the completion dates in effect at the time re-training commences.
- II. Costs of the CVMI program for this agreement will not be paid by the participant.
- III. Your one-year commitment begins once training is scheduled to begin. If, for any reason, once scheduled, the employee terminates participation in the program or employment with the Cincinnati Public Schools prior to completing this commitment, the employee agrees to reimburse the Treasurer of the school system an amount equal to the program cost (totaling \$3,069) identified below, paid by the district. Failure to reimburse the district in a timely fashion as noted in Part V of this agreement will result in notification of the Ohio Department of Education’s Office of Professional Conduct to request action against your license.

Note: Commitment includes attendance at workshops related to the two courses: *Mathematics as a Second Language (\$1,494 tuition and fees) and Algebra and Functions (\$1,575 tuition and fees).*

- IV. The employee’s obligation for this agreement is for the 2010-2011 school year.
- V. Any reimbursements under sections III shall be due within 30 days of a determination that this agreement has been breached or by payment plan approved by the District.
- VI. Cincinnati Public Schools has the right to request copies of transcripts or other information regarding the CVMI coursework and the employee agrees to provide said documents.
