College of Mt. Joseph and Mayerson Academy proudly announce the first opportunity in this region to be trained on the new and expanded version of DIBELS!

August 9-10: DIBELS® Next Training

Strand 1: DIBELS® Next Training for K – 2nd grades (Course # 918.2176)
New measure for Phonological Awareness!

Strand 2: DIBELS® Next Training for 3rd – 6th grades (Course #918.2177)
New group administered Comprehension Measure!

This training is appropriate for those new to DIBELS and those who have experience with earlier versions of DIBELS. Since DIBELS 6th Edition, all of the DIBELS measures have been improved (new directions, new content, inclusion of response pattern analysis, tighter stratification of items) and two new measures have been added. In both strands listed above, educators will learn all of the assessments in the DIBELS system but, particular focus will be spent on the measures targeting the grade levels listed.

August 11: Train the Trainer or Interventions

Strand 1: DIBELS® Next Train the Trainer (Course #918.2178)

This workshop is designed for educators who have prior experience with DIBELS and who plan to train others on how to use the new measures. Participants will receive training materials developed by the DIBELS research group to use with their staff. Pre-requisite: attendance on Days 1 and 2.

Strand 2: Creating Robust Reading Interventions for Children in gr.K-2 (Course #918.2179)

Strand 3: Creating Robust Reading Interventions for Children in gr.3-6 (Course #918.2180)

These workshops will focus on how use the DIBELS Next assessments to help guide the design and valuation of strong interventions for children in kindergarten through second grades or third through sixth grades. Specific intervention strategies will be shared.
