In words of Greek origin the /k/
sound is spelled ch as in
stomach, chaos, school.

K NEVER DOUBLES

© Mary Dahlgen Consulting

Generic sound / spelling cards are designed to be used with any reading program. The most common spelling patterns are listed on the front. On the backside, the cards have basic phonics information to explain the spelling pattern. They can be posted on the wall or used for classroom or small group instruction. Title 1, Special

Education and Interventionists will find these useful also. There are 44 cards in the set (two sizes) with instructions for use.
