Standard: History

* I will describe why I think
it was called The Battle
of the fallen timbers.

I think it was called
the battle of fallen timbers
because lots of tree was
on the ground. Another thing
is that in scott's trees was on
the ground, that is why I
think it was called the
Battle of the fallen timbers.

Happy Halloween

Vietnam

- 1. In Vietnam they have bikes and animals.
- 2. They speak Vietnamese.
- 3. They eat with chopsticks.

USA

- 1. In USA we have cars. Both eat plates and pots.
- 2. We speak English with spoons and forks.
- 3. Both grow food and farm.

The USA is different from Vietnam
because. The USA have cars. and
The Vietnam have bikes and animals
to travel. Another thing is we speak
English and they speak Vietnamese. lastly
we eat with spoons and forks they
eat with chopper sticks. like
The countries are with clothes because
we both eat with we both grow
Another thing is farms. that is why they

IF I was a settler
I would give them fruits
I would give them fruits
because they can be healthy
and they would stay alive.
That is why I should
give them fruits.

My name is Christopher
I came from Canada because
I can get a house and
have freedom. I was
a slave and I couldn't
grow crops but now in
Ohio I can grow crops.
I find the drinking gourd
and the South Star and
that is how I got
here. I help people to
get here some times
I make quilts but it
really is a slave's map but
the slave owners don't know.

that is how I
got here.
